Please join us from 5-10PM, when SCMCSG and Socks for Heroes, in partnership with FT3 Tactical in Stanton presents "The Operator Challenge." The Operator Challenge is a 5 Person Squad Relay with each individual shooting 5 different firearms in a timed event.

We'll be shooting 5 firearms, while we haven't finalized the list yet, last time we shot M4's, AK's and .45's. The combined score of the team is then totaled and used to determine which squad will move towards the finals. The top eight squads will compete at the end of the event for the title of "Top Operator."

Limited to Sixty (60) 5 person squads, or 300 people. You can either set up your own squad, or we will be happy to team you up with other "operators." We will supply firearms, ammo, and targets. All you need to do is bring your shooting skills. And, as with all our events, we will supply food and beverages, and there will be opportunities to win firearms.

Socks for Heroes is part of the San Clemente Marine Corps Support Group, a registered 501(C)(3) non-profit. All net proceeds from your tax deductible donation will be used to support Americans in harm's way, and their families that remain behind.

Don't want to wait in line to shoot? We offer reserved shooting times for all pre-registered participants.

Shooter Registration – \$35 per Entry (\$15 for Active Duty Military)

Squad Registration – \$125

Sponsor a Marine/Wounded Warrior – \$35

To register, please go to <http://scmsg.org/events/operator> and make a donation for the entry level or package that you would like. We will follow up with an e-mail confirmation and will confirm your shooting time. For more information, please send an e-mail to socks4heroes@gmail.com or call 310-728-9166

Thanks for Supporting our Troops!
